

### **DOG POLICY: THE STAR INN THE HARBOUR LTD**

Dogs, other than Assistance Dogs, are not permitted in the carpeted area of the Dining Room, however, well-behaved dogs are welcome on the tables within the allocated wooden floored area. We strongly recommend that diners bringing their canine companions should **book in advance by telephone** to ensure that their booking is properly recorded and a table in the wooden floored allocated, as our capacity in this area is very limited.

Water can be provided; owners are expected to clean up any dog waste and to dispose of this appropriately.

Dog owners are asked to show respect for other diners' sensitivities, in keeping their dogs quiet, on a lead and under control at all times.

We regret that we do not permit accept breeds covered by the Dangerous Dogs Act and expect owners to have the appropriate insurance in the event that their dog should cause injury to any person or property. In the event that your dog should object to another diner's dog, we would expect the most recently arrived dog to be removed from the Restaurant.
